## MORE GUARDS ORDERED TO MEXICAN BORDER

Twenty Thousand in State  
Camps Are Entraining To  
Relieve Ones at Front, who  
Shall go Home.

### D. OF C. REGIMENT IS EXPECTED HERE

Transportation Funds, How-  
ever, are Reported Shy, and  
May Embarrass Movement  
to Border.

(By Review Leased Wire.)  
WASHINGTON, Sept. 16.—All na-  
tional guard organizations which have  
been held at state mobilization points  
since they were mustered into the  
federal service are scheduled to start  
for the Mexican border soon. Offi-  
cials indicated today that they prob-  
ably would go within two weeks.

"Experience" For All  
Secretary Baker is personally su-  
pervising all guard movements. He  
is determined that every guard unit  
undergo border service and training  
before it is discharged, and intends  
to use the troops in state camps to  
relieve those on the border, so that  
the latter may return home and be  
mustered out of the federal service.

Funds Are Lacking  
One thing may alter this policy,  
though officials now think it will not.  
That is the lack of funds available  
for transportation. Although no ac-  
count of the expenses incident to the  
border situation has been made pub-  
lic, reports indicate that the depart-  
ment possibly has exhausted its funds  
and will face a heavy deficit before  
another appropriation can be secured  
from congress to meet the expenses  
of the border campaign. If the guard  
movements continue it will be neces-  
sary to have an urgent deficiency ap-  
propriation bill put through as soon  
as congress meets in December.

D. of C. Are Coming  
Exclusive of the North Carolina or-  
ganizations ordered to the border to-  
day, there are 18,000 guardsmen who  
have been held in their state camps.  
These are scattered throughout Ala-  
bama, Colorado, Mississippi, Florida,  
Georgia, Virginia, West Virginia, Wy-  
oming, Tennessee, District of Colum-  
bia, California, Maryland with several  
small units in other states.

## TWO BANKS GO TO WALL IN CHICAGO

Closing of One Starts Run on  
Another—Hundreds of De-  
positors Riot, and the Police  
Are Called.

(By Review Leased Wire.)  
CHICAGO, Sept. 16.—When the pri-  
vate bank of M. Ginsburg & Son, lo-  
cated in the populous foreign section,  
closed its doors here today, a run was  
started on another private bank a  
block away, and continued until its  
owner was forced to close its doors.  
The apparent failure of the Ginsburg  
bank was the third which has occur-  
red in Chicago recently. County offi-  
cials have been investigating private  
owned banks for several days.

Tonight a crowd of depositors had  
gathered at the Ginsburg bank and  
when its doors remained closed, sum-  
moned the police.  
Immediately afterwards a run on  
the bank of V. Braslawsky & Company,  
a block distant, began. Braslawsky's  
depositors were paid \$225,000 in  
three hours. Funds then ran low and  
the doors were closed. Braslawsky  
announced, however, he would reopen  
the bank Sunday and pay all deposi-  
tors who wished to withdraw their  
accounts. Braslawsky's bank was one  
of the first investigated by state at-  
torney Herin and it was given a clean  
bill of health.

las will be transferred to Yuma.

### 1700 More Germans Taken By British

(By Review Leased Wire.)  
LONDON, Sept. 16.—General Haig,  
commander of the British forces on the  
Somme front, reports the capture  
of additional German prisoners to the  
number of 1,700, making the total cap-  
tured for the last two days more than  
4,900.  
Continuation of the battle is re-  
ported in the British official state-  
ments south of the Ancre river. The  
British proceeded methodically with  
their attack begun Friday and the  
Germans responded with heavy counter  
attacks, both against British and  
French.  
Comparative quiet, however, reigned  
along the French section of the Som-  
me front, although the French report  
some progress north of Bouchavesnes  
and the capture of a trench northeast  
of Berny.

### PREMATURE SPEECH MAY MEAN TROUBLE

Statement May Embarrass the  
Work of Commissioners—  
U. S. Claims for Damage to  
Be Discussed Monday.

(By Review Leased Wire.)  
NEW YORK, Sept. 16.—The  
withdrawal of American troops  
from Mexican soil is one of the  
indispensable conditions upon  
which an amicable settlement can  
be achieved between the two coun-  
tries, Luis Cabrera, Mexican min-  
ister of finance and a member of  
the joint commission, for the ad-  
justment of the border difference,  
asserted here tonight.  
Mr. Cabrera attended an informal  
luncheon today on the anniversary  
of Mexican independence and  
said that he had been indisposed  
for several days. He added, how-  
ever, that he hoped to be able to  
return to New London tomorrow  
and resume the conference there  
Monday. He said the Mexican  
members of the commission are  
optimistic of the result.

for the federal investigation into milk  
prices here were announced today by

ron of Tex. Cavalry patrolling the bor-  
der near Rio Dosa above Candelaria  
last night surprised a band of Mexi-  
cans smuggling cattle over the line,  
according to a report from Colonel  
Gaston at Marfa received by General  
Funston tonight.  
About 75 shots were fired without  
casualties on either side, the Mexi-  
cans escaped over the Rio Grande, but  
left the cattle behind.

tacked Chihuahua City today with

city, but was driven out with  
heavy losses by the constitutional-

## Funeral of Mrs. Howe to Be Held Monday at Columbia; President Cancels Talks

(By Review Leased Wire.)  
LONG BRANCH, N. J., Sept. 16.—  
Cancelling all political engagements  
for the first part of next week, Presi-  
dent Wilson today made plans for leav-  
ing for Columbia, S. C., tomorrow  
afternoon to attend the funeral of his  
sister, Mrs. Annie E. Howe, who died  
this morning at New London, Conn.  
The President had planned to speak  
in St. Louis Wednesday before an  
underwriters' convention, but as soon  
as he heard of his sister's death, he  
arranged for Secretary of War Baker  
to make an address in his place. He  
also had made engagements to see  
Chairman Vance McCormick, of the  
Democratic national committee, Sena-  
tor Lewis of Montana and other party

## COLORADO CATTLEMEN PUZZLED OVER R. R. RATE ON LIVESTOCK

Meet at Denver and Ask Fed-  
eral Board to Define Intra-  
State Powers—Want Pack-  
ers Regulated.

DENVER, Sept. 16.—Congress is  
asked to define the authority of the  
interstate commerce commission in  
intrastate rate making as applied to  
the livestock industry in the United  
States, in a resolution passed by the  
Livestock Association in convention  
here. This request was made in con-  
nection with a protest against what is  
known as the Shreveport rail case,

which the resolution declares was in  
conflict with existing state regula-  
tions of livestock shipments in Texas.  
Earlier in the day the market com-  
mittee of the association read an ad-  
dress urging the federal trade com-  
mission to investigate the packing  
and livestock industries. The com-  
mittee announced that measures will  
be presented at the next meeting of  
congress for remedying packing and  
marketing conditions throughout the  
country.

The committee decided to urge the  
passage of laws by various state leg-  
islatures placing packing concerns and  
terminal facilities under the regula-  
tion of public utilities commissions.

Alter L. Fisher, former Secretary  
of the Interior, and counsel for the as-  
sociation, explained measures the as-  
sociation proposes to press in a cam-  
paign to change present marketing  
conditions.  
Juarez Quiet  
Juarez showed no signs of any mili-  
tary excitement tonight. A large  
crowd of people from the town and  
neighboring country in which women  
predominated, promenaded the main  
street and around the plaza, where  
the garrison band played. In the cus-  
tom house, a ball was given by the  
elite of the town, with General Gon-  
zales, post commander, Consul An-  
dres Garcia, Mayor Herrera and other  
officials attending. The street crowd  
was in a holiday mood, throwing con-  
fetti and firing firecrackers. No  
troops were in evidence, except for  
the soldiers taking part in the merry-  
making.

### ASKS FOUR CENT BOND OF BANK RECEIVER

CHICAGO, Sept. 16.—Judge  
Kenesaw Mountain Landis, who  
assessed a fine of \$25,000,000  
against the Standard Oil Compa-  
ny of Indiana several years ago,  
fixed the bonds of the Central  
Trust Company of Illinois, as re-  
ceivers for the private banks of  
Michael Michniuk today, at four  
cents.  
"What do you want a receiver  
the lawyer representing the cred-  
itors. These private bankers  
for anyway," the judge asked  
never leave anything behind  
when they go away."  
"I think there is some real es-  
tate," explained the attorney.  
"Well, all right, but they gen-  
erally take that too," laughed the  
court.  
Michniuk surrendered to the  
state's attorney today.

acter, Is Held for Hearing  
September 20—Other Ar-  
rests Expected.

(By Review Leased Wire.)  
DOUGLAS, Sept. 16.—Flin Tulk, a  
cowboy known as "Rusty" throughout  
Arizona and New Mexico, where he  
has taken part in exhibitions as a rider  
and roper, was arraigned today be-  
fore United States Commissioner Hen-  
ry C. Beumer on the charge of theft  
of United States registered mail in  
connection with the holding up of the  
Golden State Limited, on the El Paso  
& Southwestern Railroad, near Apa-  
che, Arizona, forty miles east of Dou-  
glas, on the night of September 6. He  
was held for preliminary hearing  
September twentieth under bonds of  
\$25,000 and is now in jail here.

ON TRAIL OF OTHERS  
Sheriff Harry Wheeler who has been  
working on the case in the Chiricahua  
mountains since the morning after  
the robbery, is said to have discovered  
evidence which will probably lead to  
the arrest of every member of the  
band.

## CLAIMS AGAINST MEXICO GET HEARING

American Commissioners To  
Discuss Damage Done U. S.  
Owned Property in Mexico,  
Monday.

(By Review Leased Wire.)  
NEW LONDON, Conn., Sept. 16.—  
Official announcement in Mexico that  
a convention will be held at the close  
of the year to consider changes in the  
constitution, has been construed by  
the American members of the Ameri-  
can-Mexican joint commission as cor-  
roborating the assertions made by the  
Mexican representatives that appar-  
ently all steps are being taken to re-  
store conditions in the war-torn  
country.

Directed by the American members  
the conferences begun two weeks ago  
have had more to do with the internal  
conditions of Mexico than with the  
border troubles.  
No work was done by the commis-  
sion today. The sessions will be re-  
sumed Monday when it is expected  
the commissioners will consider ques-  
tions including claims against Mexico  
by American citizens and the charges  
made by Americans that their prop-  
erty is threatened with confiscation as  
the result of excessive taxation.

over 6,000 tons of ore stored at the  
Commercial mine to the Clarkdale  
smelter is now under way and is go-  
ing forward at the rate of about 100

been put to work, and it is expected  
that the property will be worked to its  
maximum capacity in a few weeks.

## NEW GERMAN "SUB" ON WAY TO U. S.

Extensive Preparations for  
Welcoming New Craft Are  
Going on at New London,  
Connecticut.

### BREMEN BELIEVED DUE WITHIN WEEK

German Advance Agents and  
German Tow Boats With  
Cargo at Port Awaiting  
Ship's Arrival.

(By Review Leased Wire.)  
NEW LONDON, Conn., Sept. 16.—  
A persistent report that the German  
submersible merchantman Bremen, a  
sister ship of the Deutschland, would  
arrive here within a week, gained  
credence tonight by the arrival in this  
city of Paul G. L. Hilken, manager of  
the German Ocean Transportation  
Company which was organized to op-  
erate the underwater craft.  
Mr. Hilken was accompanied by G.  
Prusse, who was credited with having  
constructed the Deutschland, the first  
German submarine freighter to reach  
the United States. Mr. Prusse was a  
passenger on the Deutschland when  
that vessel arrived at Baltimore.

Preparations Complete  
Although neither Mr. Hilken nor  
Mr. Prusse would state definitely to-  
night whether the Bremen is on her  
way here, elaborate preparations have  
been made which indicated that the  
underwater liner probably is about  
due.

High Board Fence Built  
The North German Lloyd steamer  
Willehad, which was brought around  
from Boston a few weeks ago, has  
been anchored near the U. S. S. Dol-  
phin outside of New London Pier,  
forming a berth inside and today a  
pontoon of rafts, with a big board  
fence, was floated around to the prow  
of the steamer and there moored.

Hidden From View  
With the pontoon fence in position  
a submarine inside would be screened  
from outside view. The board fence  
surrounds the warehouses and the of-  
fice buildings leased by the Eastern  
Forwarding Company, a subsidiary of  
the German Ocean Transportation  
Company.

Rubber Cargo Ready  
About twenty carloads of rubber  
have been received here within the  
last few weeks and are stored in the  
warehouses. The material is encas-  
ed in small boxes marked via San  
Francisco.

## G. O. P. DESERT HUGHES SAY "DRYS"

"He Was All Right Until  
They Heard Him", Says  
Hanly, "And Then it Was  
All Off" Speaker Says.

(By Review Leased Wire.)  
ASHLAND, Ore., Sept. 16.—Sum-  
ming up his campaign for the last  
nine days in eight northwestern states  
four wet and four dry, J. Frank Han-  
ley, Prohibition presidential candidate  
in an address here tonight, declared  
that assurance of support given had  
been flattering and that he had noted  
widespread dissatisfaction among Re-  
publicans on the recent campaign of  
Charles E. Hughes, made in virtually  
the same territory.

"The most significant thing we  
have noticed is the wide spread dis-  
satisfaction among Republicans with  
the campaign made by Mr. Hughes.  
We have followed his trail across the  
continent and have heard Republi-  
cans say again and again, we were for  
him until we heard him speak, but  
we came away feeling that we could  
not support him. He may carry the  
northwest but he will have to fight to  
do it, though it is normally heavily  
Republican.
